Shelf Box Contents:

Slanted Sorter Shelves

(Set of 2 for the 45-1/2" Sorter)

(Set of 3 for the 68" Sorter)

NOTE: DO NOT DISCARD PACKAGING MATERIAL UNTIL ALL CONTENTS ARE LOCATED

Sorter Assembly:

1. Remove sorter body from packaging and place either on table top or on top of riser.

NOTE: If sorters are installed onto retaining brackets, refer to assembly instructions included with the "Table Top Sorter Retaining Brackets".

Sorter Shelf Assembly:

1. Place shelves inside sorter body one by one by resting the shelf on the z-bracket that is welded to the back of the sorter.
2. Once in place pull slightly to ensure that the shelf is locked in place.
3. If installed correctly there will be a lip on the front side to prevent totes from sliding off of the shelf.
