

HANGING PEDESTAL ASSEMBLY

(MP2-2, MP2-3)

Box Contents:

- pedestal unit
- mounting channel
- locking plate
- #10 x 5/8" combination screws
- key for lock
- pencil tray

NOTE: DO NOT DISCARD PACKAGING MATERIAL UNTIL ALL CONTENTS ARE LOCATED

Hanging Pedestal Assembly:

1. Place desk in an upright position (after mounting bracket has been installed - see "Desk Assembly").
2. Slide channels, on top of drawer mounting bracket, on underside of desk.
3. Push drawer towards back of desk until it stops.
4. Open top drawer and align holes on locking plate with holes on the front flange of the drawer mounting bracket.
5. Use # 10 x 5/8" combination screws to secure locking plate (2 screws required).
