

# LOCK BOX ASSEMBLY

(MLBOX-1511-6, MLBOX-1511-12)

**Box Contents:**

1 - Lock Box

**NOTE:** DO NOT DISCARD PACKAGING MATERIAL UNTIL ALL CONTENTS ARE LOCATED

**Lock Box Assembly:**

1. Determine the slot location for the Lock Box, within one of the slotted openings.
2. Insert top and bottom of Lock Box through desired slots of inside uprights of sorter and slide through the proper slots in the rear sorter uprights.
3. To lock, push lock tabs DOWN on top section of Lock Box. Open Lock Box door and push lock tabs DOWN on bottom section of Lock Box for extra strength.
