### Installation

#### To assemble the sliding door:

1. Locate plastic track and place into cavity located at the front of storage shelf.
2. Locate both sliding doors.
3. Place one door into rear of both upper and lower tracks and slide left.
4. Place the other door into front of both upper and lower tracks and slide right.
5. Turn key that came with table to make sure that doors lock.

**NOTE:** Upper track is installed with table.
